Re: **Positive *PIKEPASS* Account Balance Required for Interoperable Travel on NTTA & KTA Toll Roads**

Dear Pre-Paid PIKEPASS Account Holder,

**Effective May 13, 2017, PIKEPASS accounts with a \$0.00 or less balance will no longer be Interoperable on North Texas Tollway (NTTA) or Kansas Turnpike Authority (KTA) toll roads. Customers need to be aware that failure to have a balance above \$0.00 prior to and during travel on NTTA and KTA toll roads will either be license plate billed or be required to pay cash at the time of travel. It is important that PIKEPASS Customers maintain a positive balance in their account at all times.**

Sincerely,

OKLAHOMA TURNPIKE AUTHORITY
